

**Plano, Texas, October 18, 2007 — Patient Centered Services, Inc.** today announced that it has been named to the 2007 HomeCare Elite, a compilation of the most successful Medicare-certified home health care providers in the United States. This annual review identifies the top 25% of agencies, ranked by an analysis of performance measures in quality outcomes, quality improvement and financial performance. This is the second consecutive year that Patient Centered Services, Inc. has received this award. They were also named to the 2006 HomeCare Elite which was the first year of recognized outcomes for homecare agencies.

We applaud the success of all the providers named to the **2007 HomeCare Elite,**" said Bill Bassett, Senior Director of Market Strategy at OCS, Inc. "Being noted as one of the top performers in the nation in this very competitive environment shows that Patient Centered Services, Inc. is dedicated to quality and performance."

**Terrye Jiles, Administrator and Ron Muller, Asst. Administrator,** credits their staff and the desire to produce outstanding outcomes with the company's ability to rank as one of the HomeCare Elite. They said, "**Almost anyone can provide home care, but it takes very special staff and focused leadership to provide the kind of care that produces award winning outcomes. Our clients are the most important asset we have and everyone is dedicated to giving quality care and going the extra mile.**"

"Making the 2007 HomeCare Elite is commendable in today's highly competitive home health care industry," said Jonathan Stern, Group Publisher of DecisionHealth's Home Health Group. "We congratulate PATIENT CENTERED SERVICES, INC. on being one of the top 25% best performing home care agencies in the country."

The 2007 HomeCare Elite is the only performance recognition of its kind in the home health industry. The 2007 HomeCare Elite is brought to the industry by OCS, Inc., the leading provider of healthcare informatics and DecisionHealth, publisher of home care's most respected independent newsletter Home Health Line. The entire list of the 2007 HomeCare Elite agencies can be viewed by visiting the OCS web site at [www.ocsys.com](http://www.ocsys.com).

**PATIENT CENTERED SERVICES, INC. has operated in the metroplex for over thirteen years. It is a locally owned and operated facility providing homecare to twelve counties in the North Texas area, with a branch office operating in the Fort Worth area.**

**PATIENT CENTERED SERVICES, INC.** Ranked Among top 25% of Home Health Providers in Country

Plano, Texas, 12-16-2006 – Patient Centered Services, Inc. today announced that it has been named to the 2006 HomeCare Elite, the inaugural compilation of the most successful home care providers in the country. This ground-breaking review names the Medicare-certified agencies whose performance measures in quality, improvement and financial performance are among the top 25% of providers nationwide. Additionally, the 2006 Home Care Elite indicates those providers ranked in the Top 100 and Top 500 of providers nationwide.

“We applaud the success of all the providers named to the **2006 HomeCare Elite**”, said Bill Bassett, Senior Director of Market Strategy at OCS, Inc. “Being noted as one of the top performers in the nation in this very competitive environment shows that **PATIENT CENTERED SERVICES, INC.** is dedicated to quality and performance.

Terrye Jiles, Administrator and Ron Muller, Asst. Administrator, credit the highly trained staff as well as all administrative employees for their clinical and financial success and for providing the company the ability to rank as one of the HomeCare Elites. Ms. Jiles said, “A company is only as good as its employees, and we do our best to show them recognition and respect each day”.

”As performance improvement, both clinical and financial, continues to be a critical metric for home care agencies, it’s wonderful that we now have an award that recognizes our industry’s highest achievers,” said Tonya Nevin, Executive Publisher of DecisionHealth. “We congratulate **PATIENT CENTERED SERVICES, INC.**, on being one of the top 25% best performing home care agencies in the country”.

The 2006 HomeCare Elite is the first performance recognition of its kind in the home health industry. The 2006 HomeCare Elite is brought to the industry by OCS, Inc., the leading provider of healthcare informatics and Decision-Health, publisher of home care’s most respected independent newsletter, Home Health Line. The data used for this analysis was compiled from publicly available information. The entire list of the 2006 HomeCare Elite agencies can be viewed by visiting the OCS web site at [www.ocsys.com](http://www.ocsys.com).
